You are helping us to save lives

Thank you. By choosing to support the South Central Ambulance Charity, you will be helping us to save lives across Hampshire, Berkshire, Buckinghamshire and Oxfordshire. Patients get in touch with the ambulance service in our region more than 2 million times a year. All the money we raise as a charity is used to fund services for these patients that are additional to the core NHS services that SCAS provides.

We want to help our ambulance service to save lives, and the sponsorship money you raise will help us do that. For the next three years we will be focussed on raising £1m to provide vital support to South Central Ambulance Service's life saving work.

## We need your help

- To train and equip volunteers
- To train and equip communities to save lives
- To enhance and develop the care we give.

You can find out more about how your contribution will help at [www.sca-charity.org.uk](http://www.sca-charity.org.uk). You can also find advice on our website about how to set up an online giving page and a text to give number. It's a really easy way for you to collect sponsorship – and you never have to handle a penny of real money!

So whatever you are doing to raise this sponsorship, and to all your sponsors, we would like to say a huge thank you from our patients, our staff and our amazing life saving volunteers.
